Dear Lil & Harold,

I was so happy to know that you enjoyed the "fruit of Florida". To make sure you continue to enjoy it, I am sending more of it. L'chaim!

Harold, I just received the magazine FREDRICK. The article about you being the "majority of one" in the JFK tragedy

P.S.

was a "M'CHAIA" (a pleasure) to read. To know that a childhood chum of mine fights for truth and justice, gives me vicarious (sp?) "nachas". And when it's all over (as with Moses at 120) the finest epitaph: ECCE HOMO.

I see Sam every week. We admire, and love, you for your indefatigable energy. Sam and I are older than you and don't have the fire you have. Caveat: measure your fervor; don't waste your seed on fallow ~~fallows~~, like Oliver Stone.

I am leaving for Israel March 14 to continue my Nylon work. I'll return after Passover, end of April. As Sam would say: TIME MATZES OK! Let's be in step P.S. I'll be in Jerusalem and the Wall for you! Shalom! Joe
